

WEEKLY UPDATE

12/4/2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had __51__ residents and ____30__ staff members test positive for COVID-19. Currently, we have 5 staff members out with COVID-19 and we have 2 residents on the COVID-19 unit.

Essential Care Giver visitation for Christmas week will be Tuesday thru Friday by appointment only. There will be NO visits the weekend of 12/26/20-12/27/20. Please call early to schedule your visit. Finally, Tarrant county positivity rate is 15%, so please make sure you are current with your COVID-19 tests.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 817-779-6500.

Sincerely,

Linda Telehany
Administrator
