WEEKLY UPDATE

6/3/2020

Dear Residents and Families/Representatives,

As we approach summer and states are starting to reopen slowly, we want you to know that the staff at The Pavilion at Creekwood continues to work hard to keep our residents safe and we are still following all recommendations of our federal, state and local health officials to prevent the spread of COVID-19.

We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. On May 20, 2020 the facility completed 172 tests that included all residents and staff. Together, we review city, state and government changes and implement them immediately to avoid the spread of COVID-19. Additionally, staff are assigned extra cleaning projects daily that include high touch areas. We are also taking residents outside to the courtyard to get some sun and fresh air. Last Thursday, the city of Mansfield along with other vendors organized a drive thru parade that included driving through our parking lot. We had several residents outside and they had a blast!! It was such a joyous experience to see all the smiles.

As a reminder, only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for updates. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly 817-779-6500.

Sincerely,

Linda Telehany
