

WEEKLY UPDATE

7/10/2020

Dear Residents and Families/Representatives,

We hope everyone had a fun and safe July 4th weekend! Over the holiday, and always, our staff works hard to prevent the spread of COVID-19 in our facility. To date, 44 residents and 10 staff members have tested positive for COVID-19. We currently have 35 positive residents in house 12 that have transitioned off the COVID-19 unit and are doing well. Eight of the 10 staff members that tested positive have returned to work. Tuesday, we completed our usual weekly testing and I am thrilled to report no new resident cases and only one staff positive!

We continue to follow our federal, state and local health officials' recommendations and guidance for all appropriate precautions and preventative measures that we have reported to you on our website and previous weekly updates.

With the growing number of COVID-19 cases in certain areas of the country, it is also important to remember what you can do to help prevent community spread of the virus. You should wash your hands often with soap and water for at least 20 seconds, avoid close contact with people who are sick and people who don't live in your household by maintaining six feet of distance between you and them, cover your mouth and nose with a cloth face cover when around others, cover coughs and sneezes using the inside of your elbow and immediately wash your hands with soap and water for at least 20 seconds, and clean and disinfect frequently touched surfaces daily.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 817-779-6500.

Sincerely,

Linda Telehany
Administrator

WEEKLY UPDATE

7/16/2020

Dear Residents and Families/Representatives,

Please accept this letter as an update on the status of COVID-19 in our facility and what we are doing to keep our residents and staff during this ongoing pandemic. Since the onset of this virus, we have had 44 residents and 10 staff members test positive for COVID-19. Although we completed our weekly mandated testing on 7/14/2020, there will be a delay in obtaining the results due to extremely high volumes of testing happening throughout Texas. To date, we now have 5 recovered residents and 8 recovered staff. Additionally, we have 10 residents that have moved from our COVID-19 unit to our transition unit.

As the number of coronavirus cases throughout the country are rapidly changing, we continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please also remember what you can do to help stop community spread of this virus, such as practicing hand hygiene and social distancing, practicing proper cough etiquette, using face masks, and cleaning and disinfecting frequently touched surfaces daily.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 817-779-6500.

Sincerely,

Linda Telehany
Administrator

COVID-19 NOTIFICATION

July 18, 2020

Number of additional confirmed COVID-19 cases in the last 24 hours: 4

Please continue to check our website for additional updates and information on what we are doing to help prevent further spread of COVID-19 in our facility.

If you have any questions or concerns about this notification, please contact us directly at 817-779-6500.

WEEKLY UPDATE

7/24/2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 46 residents and 16 staff members test positive for COVID-19. Currently, we have 16 residents on our COVID-19 unit and 5 residents on our Transition unit. To date, 14 residents and 13 staff have recovered from the virus.

As you might already know, the federal government announced last week that it is going to send point-of-care testing supplies for COVID-19 to all skilled nursing facilities in the country. We hope this means better access to testing and faster results for our staff and residents, but we will keep you posted as we get more information and details on this development. As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 817-779-6500.

Sincerely,

Linda Telehany

July 26, 2020

Number of additional confirmed COVID-19 cases since our last update: 1

Please continue to check our website for additional updates and information on what we are doing to help prevent further spread of COVID-19 in our facility.

If you have any questions or concerns about this notification, please contact us directly at 817-779-6570.

WEEKLY UPDATE

7/29/2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 45 residents and 16 staff members test positive for COVID-19. The total number was decreased by one as there was a false positive with one test. To date, 18 of our residents and 13 of our staff have recovered from COVID-19. We continue to test weekly as ordered by the Tarrant County Health Department our most recent test date was 7/28/2020.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 817-779-6500.

Sincerely,

Linda Telehany

WEEKLY UPDATE

7/6/2020

Dear Residents and Families/Representatives,

Please accept this letter as The Pavilion at Creekwood's weekly update to keep you informed about the status of COVID in our facility and what we are doing to keep our residents and staff safe during the ongoing coronavirus pandemic.

The Pavilion at Creekwood continues to test weekly as mandated by the county health department. To date, we have had 44 total positive residents and 9 staff. 5 of our residents have met the criteria to transition off the COVID unit. Additionally, 8 of our staff have recovered and we had no new staff positive results last week.

Our facility continues to follow the CDC and our local health department's guidance for all appropriate precautions and preventative measures to protect our residents and staff during this pandemic, including visitation recommendations. As such, and in accordance with the guidelines available to us, we are still continuing restrictions on visitation at this time.

We realize how difficult it is not to be able to see your loved ones, and we continue to closely monitor the situation in hopes that we can reopen for visitation soon. However, it is our responsibility to make sure your loved ones are as safe as possible and reopening our facility to visitors too soon could increase our residents' risk of exposure to COVID-19. As such, and for the safety and well-being of our residents, please continue to reach out to your loved ones through phone, FaceTime, letters and e-mail and feel free to contact us directly if you need assistance facilitating that communication. We also encourage window visits as we know how important it is to see your loved ones.

As a reminder, only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for updates. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 817-779-6500.

Sincerely,

Linda Telehany
