

**WEEKLY UPDATE**

**9/18/2020**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. We continue to conduct mass testing per the Tarrant County positivity rate. For the last two weeks, we have been testing twice weekly. Starting next week, we will test once weekly unless the positivity rate climbs above 10% in the county.

Additionally, I am sure many of you are aware that Governor Abbott announced visitation for nursing facilities coming next week. As soon as we have the guidance as to how this should take place in our facility, we will update you. We are very excited to have our loved ones back.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 817-779-6500.

Sincerely,

Linda Telehany  
Administrator
