

## **WEEKLY UPDATE**

**09/11/2020**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 48 residents and 18 staff members test positive for COVID-19. During our mandatory weekly testing this week we had no new positive cases. We will be testing twice next week and if we have no new positive results, we will be COVID free.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 817-779-6500.

Sincerely,

Linda Telehany

WEEKLY UPDATE

9/18/2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. We continue to conduct mass testing per the Tarrant County positivity rate. For the last two weeks, we have been testing twice weekly. Starting next week, we will test once weekly unless the positivity rate climbs above 10% in the county.

Additionally, I am sure many of you are aware that Governor Abbott announced visitation for nursing facilities coming next week. As soon as we have the guidance as to how this should take place in our facility, we will update you. We are very excited to have our loved ones back.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 817-779-6500.

Sincerely,

Linda Telehany
